Graduate Course Evaluation

Professor _____ Course _____ Date _____

I. Effectiveness of the course. To what degree do you think you have learned from the course? Has it been thought-provoking? Has it stimulated or deepened your interest in or enthusiasm for the subject matter?

II. Organization of the course.

1. Was the topic too broad, too narrow or "just right"? Did it respond to your needs and interests?

2. Did you find all the requirements/activities of the course valuable?

3. Was the workload feasible?

4. Was class discussion well-coordinated and based on professor-student and student-student interaction?

III. Guidance and evaluation of your work.

1. Was the guidance of your work in the course helpful?

2. Was the evaluation of your work -- i.e. student presentations, assignments, course projects, participation in class discussion -- sufficient and helpful?
