EXCEPTIONAL CHANGE OF CLASS SCHEDULE
(Fall and Spring semesters only)

Deadline: As soon as possible following the events leading to this request, but no later than 4:00pm on the Friday of RRR week to 206 Evans Hall.

Include your full name and SID number on each page. Incomplete petitions will be denied.

Name: ___________________________ SID: __________________________

Please read carefully: College policy requires students to finalize their course schedules by established deadlines. A schedule change after the deadline requires the Dean to grant an exception and is only considered in the case of extenuating circumstances.

Extenuating circumstances: Events or circumstances beyond your control that had a significant impact on you, and that prevented you from acting by the relevant deadline or arose unexpectedly after the deadline.

Extenuating circumstances do not include: 1) not needing or wanting a class, 2) not doing well in a class, 3) not knowing you were enrolled in a class, 4) not knowing the deadline or procedure for changing your schedule, 5) forgetting to make an intended change, 6) not knowing your grade by the deadline, 7) having too heavy a course load, or 8) wishing to improve your GPA.

Checklist:

1. Petition and required signatures
   I have completed and signed my petition.
   If I have declared a major, my major adviser has signed the petition.
   If I have ever been a member of the NCAA, I have checked the Yes box on the petition, and my Faculty Athletic Representative has signed the petition and stamped it with the OFAR stamp.
   If I am currently participating in the Disabled Students’ Program, I have checked the Yes box on the petition and have included a letter of support from my specialist.
   If I am asking to add a course or change the number of variable units, I have included the course number and have obtained the signature of the instructor of record (not the GSI or student coordinator).

2. Personal Statement
   I have included a brief personal statement, no longer than one typed page, that includes:
   • A clear, chronological explanation of the extenuating circumstances that led to this request, how these circumstances affected my work in the course, and any relevant dates and facts.
   • An explanation of any delay between the events referred to in my statement and the filing of this petition. Unexplained or excessive delay between exceptional circumstances and submission may be grounds for denial.

3. Documentation
   I have included documentation for all and any circumstances I refer to in my statement. Please note, after a decision has been rendered all medical documentation will be shredded.

   Documentation may include: Medical records, accident and police reports, proof of travel, financial records, 3rd party statements confirming personal circumstances, an obituary, etc. All medical documentation should
be evaluated by the Tang Center, which will issue you a “Verification/Evaluation of Medical Care.” If you have seen a non-UC Berkeley provider for psychological care, please provide a “Summary of Psychological Care by Non-UC Berkeley Providers,” available at ls-advise.berkeley.edu.

4. Faculty Verification
I have included the “Faculty Verification Form” in a signed and sealed departmental envelope, as given to me by the Professor of the course.
