INSTRUCTIONS

1. DECLARE A SINGLE MAJOR: To declare a single major in the College of Letters & Science, review the department website for major declaration guidelines and visit the undergraduate major adviser as soon as possible. The major adviser will declare the major if the declaration guidelines are met.

2. DOUBLE MAJOR: Students who wish to declare two majors in the College of Letters & Science must file a Double Major Application form. Review the Double Major Application and Double Majors section on the College of Letters and Science Office of Undergraduate Advising website (ls-advise.berkeley.edu).

3. CHANGE OF L&S MAJOR: STUDENTS WITH FEWER THAN 90 UNITS (not counting high school enrichment/AP units or in-progress units): Obtain the signature of the new undergraduate major adviser. Submit the Major Declaration form to 206 Evans Hall for processing.

4. CHANGE OF L&S MAJOR: STUDENTS WITH 90 OR MORE UNITS (not counting high school enrichment/AP units or in-progress units): Complete the Declaration of Major form AND a Program Planning Worksheet which delineates how all remaining major, College, and University requirements will be completed. Obtain signature of the new undergraduate major adviser on both forms and ask your new major adviser to initiate an eForm. Make an appointment with a College Adviser and bring the two signed paper forms.

5. CHANGE OF COLLEGE INTO L&S: Students enrolled in another College or School at Berkeley who wish to change colleges and declare a major in the College of Letters & Science must file the Petition for Change of College. Attend a Change of College Workshop and then consult with a College Adviser about minimum requirements and required forms.
