

## Compliance deadlines for processing College of Letters & Science lecturer AY 2016-2017 search reports/search waivers and lecturer appointments and reappointments to meet Unit 18 MOU requirement (7a.B.1)

Please plan for at least a 5 week turnaround from initial submission of search report/search waiver until approval of appointment. Please note that returns for corrections or clarifications will ultimately delay the final approval.

**Departments are encouraged to submit their requests before the stated deadlines.**
