The great, big
HEART
of UC Berkeley

The **LARGEST**,
MOST DIVERSE
of UC Berkeley's
schools and colleges

22,507
undergraduates

2,316
graduate students

Arts &
Humanities

Biological
Sciences

Mathematical &
Physical Sciences

Social
Sciences

Undergraduate
Studies

A LEGACY OF EXCELLENCE

Discoveries made in L&S have transformed the world. Our faculty has identified the flu virus, invented the cyclotron, unveiled mysteries of the universe, and shed light on the evolution of human ancestors and languages. And the books, poems, and other creative pursuits of our scholars have left their mark in every field of knowledge, winning awards as prestigious as Nobel and Pulitzer Prizes.

#1 public
university

In 2022, UC Berkeley was named the top public institution in *U.S. News & World Report's* global rankings.
